**SIZE:** 150ML | 500ML

**FRAGRANCE:** MOROCCAN MINT TEA

**SKIN TYPE:** ALL

**SANS:** MICROBEADS, SLS, PARABENS & PEGS

Designed to prep your skin prior to tanning or as a weekly skin treatment. Organic exfoliating agents, Argan Nut Shell and Raspberry Seed Powder work effortlessly to buff away dead cells, detoxify and purify the skin to create a polished finish. Infused with organic Argan, Rosehip, and Coconut Oil and enriched with essential Vitamins to leave your skin feeling, calm, nourished and hydrated.

### ETHICALLY SOURCED KEY INGREDIENTS + SKIN BENEFITS

MOROCCAN BLEND®  
(SKIN TECHNOLOGY)

### ORGANIC ARGAN OIL

From the southwest regions of Morocco comes the Argan tree. Its seeds are used to produce exclusive Argan Oil, long known by locals for its nourishing and invigorating effect on the skin.

100% pure pressed, organic Argan Oil is high in natural Vitamin E and protects and nurtures the skin, keeping it healthy and hydrated. This luxe oil also helps shield and reduce the signs of premature ageing offering the skin a natural boost.

### VITAMIN C

Vitamin C is an antioxidant that plays an essential role in building collagen (the connective tissue that comprises up to 70% of skin) so it helps protect skin from premature ageing (like wrinkles). Levels of Vitamin C in the skin decline with age, replenishing levels directly in the skin can help combat collagen degradation and oxidative stress.

### CAFFEINE

Caffeine fights UV damaged skin cells, holds skin firming benefits and has anti-inflammatory properties to reduce puffiness.

### INGREDIENTS

Aqua, Cocos nucifera (Coconut) oil#, Glycerin\*, Cellulose acetate\*, Cetearyl alcohol\*, Aloe barbadensis (Aloe vera) leaf juice#, Caprylic/Capric triglyceride\*, Stearic acid\*, Decyl glucoside\*, Cocamidopropyl betaine\*, Ceteareth-20\*, Argania spinosa (Argan) kernel oil#, Rosa eglanteria (Rosehip) seed oil#, Rubus idaeus (Raspberry) seed oil#, Hamamelis virginiana (Witch hazel) flower water, Tocopherol (Vitamin E)\*, Ascorbic acid (Vitamin C), Panthenol (Vitamin B5), Argania spinosa (Argan) shell powder\*, Rubus idaeus (Raspberry) seed powder\*, Amethyst powder, Xylitylglucoside\*, Carrageenan (Red seaweed)\*, Xanthan gum, Anhydroxylitol\*, Xylitol\*, Caprylyl glycol, Phenethyl alcohol, Sodium chloride (Salt), Alcohol, Parfum, Lactic acid\* \*From nature #Certified organic

### ORGANIC ALOE VERA

Aloe Vera consists of as many as 75 nutrients, 20 minerals, 12 vitamins, 18 amino acids and 200 active enzymes. Aloe vera contains Vitamin A, B1, B2, B6 and B12, Vitamin C and E, folic acid and Niacin. Aloe's high water content (over 99% water) helps hydrate, rejuvenate and soften the skin.

### NATURAL VITAMIN E

Vitamin E is an antioxidant that protects & repairs the skin from free radicals and is essential for the proper utilisation of oxygen in skin cells; it helps soften and smooth the skin, relieves dryness and promotes healing.

### AMETHYST POWDER

Amethyst is the rarest form of quartz and has numerous natural aids for the body. Amethyst revitalises skin cells and protects them from ageing, improves skin tone and reduces wrinkles encouraging healthy looking skin.

### PRO-VITAMIN B5

Pro-Vitamin B5 (Panthenol) conditions the skin and promotes tissue healing. Delivering hydrated, nourished and smoother skin, Vitamin B5 assists in reducing the appearance of fine lines and wrinkles.

### NATURAL RASPBERRY SEED OIL

Raspberry Seed Oil is cold pressed virgin oil containing a high 83% of Essential Fatty Acids, the most abundant of which are Linoleic, Alpha Linoleic, and Oleic acids. The composition of these Omega-3 and Omega-6 fatty acids has been shown to reduce the effects of oxidative stress in skin. Raspberry Seed Oil is an emollient, lubricating, conditioning and it creates a lipid barrier providing protection and moisture retention for the skin.

### ORGANIC EXFOLIATING BLEND

Created from the shell of the Moroccan Argan fruit, comes our natural Argan nut shell exfoliating ingredient. This element is uniquely blended with natural Raspberry seed powder to form our organic exfoliating agent that works fluently to buff away dead skin cells and unearth naturally radiant skin.

### ETHICALLY SOURCED KEY INGREDIENTS + SKIN BENEFITS

MOROCCAN BLEND®  
SKIN TECHNOLOGY

### ORGANIC ARGAN OIL

From the southwest regions of Morocco comes the Argan tree. Its seeds are used to produce exclusive Argan Oil, long known by locals for its nourishing and invigorating effect on the skin.

100% pure pressed, organic Argan Oil is high in natural Vitamin E and protects and nurtures the skin, keeping it healthy and hydrated. This luxe oil also helps shield and reduce the signs of premature ageing offering the skin a natural boost.

### VITAMIN C

Vitamin C is an antioxidant that plays an essential role in building collagen (the connective tissue that comprises up to 70% of skin) so it helps protect skin from premature ageing (like wrinkles). Levels of Vitamin C in the skin decline with age, replenishing levels directly in the skin can help combat collagen degradation and oxidative stress.

### CAFFEINE

Caffeine fights UV damaged skin cells, holds skin firming benefits and has anti-inflammatory properties to reduce puffiness.

### ORGANIC ROSEHIP OIL

Rosehip Oil is bursting with vitamins, antioxidants and essential fatty acids that calm and hydrate dry skin whilst assisting in the reduction of scars and fine lines. This unique oil contains a natural source of Vitamin A, C, Omega 3, 6, promoting healthy and radiant looking skin.

### ORGANIC ALOE VERA

Aloe Vera consists of as many as 75 nutrients, 20 minerals, 12 vitamins, 18 amino acids and 200 active enzymes. Aloe Vera contains Vitamin A, B1, B2, B6 and B12, Vitamin C and E, folic acid and Niacin. Aloe's high water content (over 99% water) helps hydrate, rejuvenate and soften the skin.

### NATURAL VITAMIN E

Vitamin E is an antioxidant that protects & repairs the skin from free radicals and is essential for the proper utilisation of oxygen in skin cells; it helps soften and smooth the skin, relieves dryness and promotes healing.

### NATURAL RASPBERRY SEED OIL

Raspberry Seed Oil is cold pressed virgin oil containing a high 83% of Essential Fatty Acids, the most abundant of which are Linoleic, Alpha Linoleic, and Oleic acids. The composition of these Omega-3 and Omega-6 fatty acids has been shown to reduce the effects of oxidative stress in skin. Raspberry Seed Oil is an emollient, lubricating, conditioning and it creates a lipid barrier providing protection and moisture retention for the skin.

### AMETHYST POWDER

Amethyst is the rarest form of quartz and has numerous natural aids for the body. Amethyst revitalises skin cells and protects them from ageing, improves skin tone and reduces wrinkles encouraging healthy looking skin.

### PRO-VITAMIN B5

Pro-Vitamin B5 (Panthenol) conditions the skin and promotes tissue healing. Delivering hydrated, nourished and smoother skin, Vitamin B5 assists in reducing the appearance of fine lines and wrinkles.
